

Junior High S.T.E.A.M.

2017-2018

Miami Junior High School

1-College Ruled Spiral Notebook WITHOUT perforated edges. I do not want them to be able to tear pages out.

May be required to get other supplies throughout the year

\*\*\*\*The students will be using 1 binder to keep all their Junior High things in. This will need to be a 2 ½ inch binder. These are hard to find so please start looking ahead of time. Please make sure its durable as it will need to last them until the end of the first semester. They will need a total of 2 of these. They will use one the 1<sup>st</sup> semester and 1 the 2<sup>nd</sup> semester.

Along with the binder they will need plastic/durable dividers. They will need a total of 16. So 2 of the 8 count will be great. Please don't get the paper dividers. They will not last.
